

EL DORADO COUNTY FIRE PROTECTION DISTRICT
STANDARD OPERATING GUIDELINE

ARTICLE 8: MISCELLANEOUS

EFFECTIVE DATE:

SECTION 3: SATELLITE STATIONS

REVISED: 04-12-2006

- 8.3.1 **PURPOSE:** To establish responsibility and ensure continued maintenance of station, facilities, equipment, apparatus and records.
- 8.3.2 **Station/Facilities:** It shall be the responsibility of the station Captain to ensure the maintenance of facilities for the satellite and volunteer stations within his/her zone. Stations shall be maintained to District standards at all times.
- 8.3.3 **Maintenance of equipment:** It shall be the responsibility of the Captain to ensure proper maintenance on all equipment at the satellite and volunteer stations within his/her zone. Equipment shall be maintained in a safe, clean, operable condition and comply with District standards and policies.
- 8.3.4 **Apparatus:** It shall be the responsibility of the Captain to ensure proper maintenance of all apparatus at satellite and volunteer stations within his/her zone in accordance with District standards and policies. Apparatus shall be "response ready" at all times.
- 8.3.5 **Records and Reports:** It shall be the responsibility of the Captain to ensure accurate complete record keeping for satellite and volunteer stations within his/her zone in accordance with District standards and policies. This shall include, but limited to apparatus logs, SCBA logs, rope logs, narcotic logs, generator maintenance logs, etc.
