Subject:	<b>Resolution 2023-08 First Amendment to the</b>
	MOU with Diamond Springs Fire

The Diamond Springs/El Dorado Fire District and El Dorado County Fire District entered into a Shared Services Agreement in October 2022. Over the past months, both DSP and ECF have looked for opportunities to expand our cooperative efforts to better serve our communities. Most recently, the districts have completed the necessary cross training of personnel to provide sharing staff across both districts. During the implementation of the sharing of personnel process, staff from both districts met to discuss the administrative components, and we identified an item that needed clarification.

The attached amendment specifies the methodology of charges for each district when personnel work outside of their home agency. The agreed upon methodology covers the actual overtime costs incurred by the home agency, this does not include the fully incumbered cost of the employee.

Staff would recommend the Board of Directors approve both the:

- First Amendmentto the Memorandum of Understanding By and Between the Diamond Springs-El Dorado Fire Protection District and the El Dorado County Fire Protection District for Reciprocal Fire Protection and Administrative Services
- Resolution 2023-08, Approving A First Amendmentto the Memorandum of Understanding By and Between the Diamond Springs-El Dorado Fire Protection District and the El Dorado County Fire Protection District for Reciprocal Fire Protection and Administrative Services

Good morning Chief,

last evening I was having chest pains and two of your fantastic firefighters were dispatched.

Firefighters Jake Brandt and Rachael Morrow responded, took my vitals, and transported me to Marshal Hospital.

I want to commend your professional, superior, and extremely knowledgeable first responders. What a true example of what first responders should be and you should be very proud of them.

As of this juncture I am doing just fine and God Bless your Department.

Thank you very much,
