

El Dorado County Fire Protection District

Fire Chief's Report

October 16, 2025

City of Placerville

- City Leadership Transition: Cleve Morris has retired as City Manager. Dave Warren officially assumed the position effective October 4th. I met with Mr. Warren on October 13th to discuss his new role and ongoing collaboration with the District.

JPA (Joint Powers Authority)

- 9th Medic Unit: The RFP for the 9th medic unit has been released.
- EMS Officer Recruitment: The JPA has opened recruitment for the EMS Officer position.
- Finance Committee: The committee continues to work on policy revisions to formalize and memorialize the formulas for UAL and OPEB calculations for future consistency.

District Information

- Deputy Chief Testing: The testing process has been completed. The Assessment Center was held on October 2nd, followed by Chief interviews on October 10th.
- Captain Testing: The announcement for the Fire Captain promotional process has been released, with testing planned for early December.
- Apparatus Update: The DSP Type 3 engine is nearing completion and will soon go in service as Engine 319.
- IT Infrastructure: Staff are working with RTS on upcoming server and system location changes as part of post-annexation planning.

- Board Division Maps: The County GISD is finalizing the amended Board Division maps, expected by late October, with presentation to the Board in November.

Community Engagement
